Dear MPSEOC Representatives:

It is a pleasure and honor to be writing this letter of interest for the MPSEOC Board Member Candidate. Working as the Recruiter with Salish Kootenai College for the past three years, I have had the privilege to be a participant in the MPSEOC College tours, Tribal tours and summer conferences. I have enjoyed working with other college representatives, technical training schools and military branches from all over the United States and look forward to the college fairs every year. Networking with other recruiters and institutions has made me a better recruiter.

I am a veteran of the United States Air Force and with the assistance of my GI bill, I was able to attend college. After graduating college I started working at Kicking Horse Job Corps and worked my way up the ladder to Group Life Supervisor. As a result of my experience in USAF and working at KHJCC, I am a firm believer in education and technical training for young adults. I have seen the rewards and benefits the students have reaped from having an education or training. As an institution we all want the best for our students. MPSEOC is a great way to pave the way for our future leaders! I feel with my experience, knowledge and background I would represent all institutes fairly and with the utmost respect.

Thank you for your time, consideration and please consider me for position of MPSEOC board member.

Sincerely,

  
Juanita Swaney  
SKC Recruiter
