To MPSEOC,

This letter of support is for Chrissy Stokes participation of the MPSEOC Board. As her supervisor, I am in support of her serving as a board member. Her responsibilities as a board member will include attending MPSEOC Summer Conference, Winter Executive Board Retreat, and any Executive Board meetings throughout the year.

I know that Chrissy will be an asset to the MPSEOC Board because of her passion, enthusiasm and commitment to student success.

Best,

Matt Allen  
Director of Admissions
