

MONTANA COUNSELOR UPDATES

TOP 5 PRESENTATION MODEL

COUNSELOR UPDATE

PRESENTING FORMAT | SHARE YOUR CAMPUSES "TOP 5"

***Remember, all of this information should be brief enough to cover in just 5-7 minutes. If you still have time to spare, feel free to add any other information you would like.*

After reviewing much feedback on how we can create a more efficient, engaging way to share updates, we have decided to try a new way of sharing presentations. Instead of reading your handout or trying to mention everything on your campus, counselors have shared that they would appreciate a more outlined approach in your presentation. Therefore, this year we are asking everyone to share their **"TOP 5"** points about your campus. They can be any five categories you feel most important. However, we would like you to clearly outline the 1, 2, 3, 4, 5, points in your presentation. We will also complement this new model by having a **"TOP 5"** outline for counselors to fill in within their printed packet. This will allow counselors to take down notes of your **"TOP 5"** points while you are talking (in addition to your printed campus page.) ***As you create your "TOP 5" list of updates, please keep in mind that there have been many special requests by counselors across the state to make sure you include your major scholarship deadlines in this presentation and/or on your sheet of information.***
