Dear Leslie,

I support your commitment to serve on the MPSEOC Board of Directors. I understand and support the use of professional time to attend the MPSEOC Summer Conference, Winter Executive Board Retreat, and any Executive Board meetings throughout the year.

Thank you for willingness to serve in this important role!

Sincerely,

TIMOTHY ELGREN

**Subject:** Statement of Support

Hi Tim,

I was nominated for the MPSEOC Board of Directors. I've chosen to apply and the membership will vote in July. As part of the application process, they are requesting a statement of support from my immediate supervisor granting permission to use professional time to attend the MPSEOC Summer Conference, Winter Executive Board Retreat and any Executive Board meetings throughout the year. Can you reply to this message providing approval for me to participate on the board?
